

One Billion Rising "Why?"

Why are you angry?
Why am I afraid?
Why do you hurt me
before I get laid?

Why do you stalk me?
Why you say I'm wrong?
When we fell in love
I was beautiful and strong.

Why do you beat me,
taking my breath away?
Why do you rape me
and force me to stay?

Why do you buy me,
my body, my spirit, my soul?
Pretending I'm yours,
under your control?

Why is blood on your hands?
Why you cut my womb?
Why you chemic'ly burn my face
the day after honeymoon?

Refrain:

One Billion Rising
instead of Valentine-Romance!
One Billion Rising,
rise, strike and dance.
